Counsel,

Blue Spike has not as of yet received a response to Blue Spike's request for a two week extension to respond to your Client's first set of interrogatories. This is Blue Spike's first request for such an extension, and Blue Spike would certainly be willing to extend the same professional courtesy to Audible Magic should the need arise. We appreciate the courtesy during these early stages of discovery.

Please promptly advise if your client is willing to grant such an extension as this is a time sensitive issue.

Regards,

Peter B.
